sick for longer than 3 days he/she has to go home or must be picked up if possible. Students with notifiable infectious diseases may only be cared for in the quarantine room in the dormitory in exceptional cases due to an unreasonable distance from their home town. The dormitory must be informed immediately in case of notifiable diseases.

6. Insurance

Because the stay in dormitory rooms ranks among domestic environment there's no German statutory accident insurance for the pupils and students in the dormitory out of lesson time.
